## 100% Golf & Relaxation Breaks for Experts!

If you're passionate about GOLF, love playing technically demanding courses and are looking to

combine excitement and relaxation, then you will love a break at Domaine de Divonne Golf Club! In a stunning setting facing the Alps and Mont Blanc, you can practice your swing on the 18-hole course (72 par) – open to players with a handicap index under 36 – before enjoying a relaxing break in the Grand Hôtel de Divonne-les-Bains wellness centre. After all that effort, sit back and relax!
