Wine and greens perfectly paired at La Commanderie Golf

If you love a good round of golf and a good vintage, La Commanderie Golf Club is perfect for you. In Bresse, a stone's throw from the Mâconnais region, in a landscape of trees that are over 200 years old, you can indulge in your favourite sport on the 18-hole course (Par 72) and enjoy the restaurant and wine bar, where you can choose from over 400 wines on the wine menu, winner of an award in 2018. A birdie is something to celebrate!
